

Objective & Strategy

This strategy seeks to maximize risk-adjusted total return over a full market cycle. To achieve this goal, the manager will invest in both equity and taxable fixed income securities. The equity portion of the strategy is comprised of securities selected from Moran Wealth Management's equity styles. The fixed income portion of the strategy is primarily invested in ETFs holding government, corporate and high-yield fixed income securities.

This presentation contains general information that is not suitable for everyone and was prepared for informational purposes only. Nothing contained herein should be construed as a solicitation to buy or sell any security or as an offer to provide investment advice. Moran Wealth Management, LLC is a registered investment advisor. For additional information about Moran Wealth Management, LLC, including its services and fees, send for the firm's disclosure brochure using the contact information contained herein or visit advisorinfo.sec.gov.

This supplemental report is provided for informational purposes only; please refer to your account statement(s) or other custodian provided statement for the official records of your account(s). The information contained herein has been obtained from sources we believe to be reliable, but we do not guarantee its accuracy or completeness.

Past performance does not guarantee or indicate future results. For more information about all investment strategies and their objectives please contact the Portfolio Manager.

Management and results displayed herein prior to 8/20/2022 were achieved under a different firm prior to Moran Wealth Management becoming registered as an investment adviser. The accounts managed at the predecessor firm were, however, achieved by the same personnel and were managed substantially similar to the accounts managed at Moran Wealth Management.

Portfolio shown is as of 3/31/2022 and subject to change. As portfolios are separately managed the individual client account holdings will vary, perhaps significantly, from those listed on this factsheet. Information, such as industry sector allocation percentages and market capitalization allocation percentages, will also vary from the information listed on this factsheet. A client opening an account today may, or may not, be invested in securities or sectors based upon the percentages shown on this factsheet. For the most recent portfolio composition please contact the Portfolio Manager.
