MORAN
WEALTH MANAGEMENT®

Small Cap Value (SVAL)

DATA AS OF 12/31/2022

Objective & Strategy

This strategy seeks long-term growth of capital by investing primarily in small capitalization value stocks. The manager intends to achieve this objective by investing in the common stocks of small market capitalization U.S. companies that, in the manager's opinion, are temporarily undervalued relative to their peers.

Management and results displayed herein prior to 8/20/2022 were achieved under a different firm prior to Moran Wealth Management becoming registered as an investment adviser. The accounts managed at the predecessor firm were, however, achieved by the same personnel and were managed substantially similar to the accounts managed at Moran Wealth Management.

Portfolio shown is as of 12/31/2022 and subject to change. As portfolios are separately managed the individual client account holdings will vary, perhaps significantly, from those listed on this factsheet. Information, such as industry sector allocation percentages and market capitalization allocation percentages, will also vary from the information listed on this factsheet. A client opening an account today may, or may not, be invested in securities or sectors based upon the percentages shown on this factsheet.
